## Welcome to the Plant Wild Newsletter December 2021

**We're all looking forward to Christmas and Spring 2022:**

It's now a great opportunity to plan ahead in the garden, and we'd like to share with you news from our wildflower range to look forward to in 2022.

### **Wildlife gifts for your wildlife enthusiast:**

There is still time to order for Christmas from our garden gift range and our wildflowers too.

Take a look at our select range of hand painted metal garden ornaments from our friendly Tortoise to the festive Robin. Not to mention our contemporary metal bird feeders.

Our last posting date before Christmas is Wednesday 15th December.

Find the full range here: <https://www.plantwild.co.uk/product-category/gifts/>

### The Plant Wild gift card:

Our [e-gift card](#) is available all year round, ideal for Christmas of course, birthdays or just to say thank you to the gardener in your life. Easy to choose and easy to use.

[Our e gift card - Ideal for those last minute garden gifts](#)

- Select your voucher value, or add your own value available from £5 upwards
- Add a message
- Enter an email address to have the voucher sent direct to you or to the recipient
- Choose the date that you wish the e gift card to be received

### Native Spring bulbs:

Our range of potted [Spring bulbs](#) will be back again for 2022, planted in peat free compost. Including English bluebells, Wild garlic, Summer snowflake, Wild daffodils, plus more, with some already available to order such as the [Tenby daffodils](#) and [Star of Bethlehem](#). Check out the website for the full range, and to order in advance just get in [touch](#).

Also back for Spring 2022 will be our popular bulb collections - 9 x 9cm pots of our all time favourites.

Our bulbs are grown in kerbside recyclable pots and the bulbs are sent out ready rooted, perfect to plant outside. More stock will be added to the website as it develops in the coming weeks, in time to plant for Spring.

## New plant collections:

[The Bees and Butterflies pot collection](#)

wildflower collections will be continuing through to 2022.

Each collection of perennial plants is themed and individually chosen to make sure you have the best selection available.

Choosing wildflowers in pots means they will establish well, develop through the growing season and are most likely flower too, to encourage and attract wildlife to your outdoor space.

All our wildflowers can also be ordered individually and many are available in 1litre pots - be sure to add your favourites to your garden early in Spring to bring more wildlife to your world for 2022.

**A big thank you to each and everyone of our customers during 2021  
Happy Christmas from all The Plant Wild Team  
With Best Wishes for the New Year.**

We look forward to welcoming you back to Plant Wild in 2022
